

Tikal 2011 Schedule

Maya Field Workshop

The Art and History of Tikal

December 10 -17, 2011

This Maya Field Workshop will be an intensive, hands-on learning experience focusing on the art, history and archaeology of Tikal. Through daily on-site studies, seminars and workshops, participants can expect to learn the basics of reading Maya hieroglyphic script and develop an understanding of the complexities of iconography. These tools will allow all to delve into many details of Maya history and culture.
